EDUCATION

Study Program

JAYPEE INSTITUTE OF INFORMATION TECHNOLOGY, NOIDA

2017 - Present

CGPA-7.6

Study Program

Seth Anandram Jaipuria Vasundhara

2014 - 2016

CBSE BOARD 12th-81.6%

Study Program

Delhi Public School Ghaziabad, Meerut Road

2000 - 2014

CBSE BOARD CGPA-9.2

COURSE-WORK

Computer Science and Engineering

Algorithm and Data Structure, Fuzzy Logic and Neural Networks, Software Development Fundamentals

ONLINE PROFILE

Hackerrank Online Profile-anonymous____(Problem Solving 6 star)

Codeforces profile-bhardwajarpit1998(max rating 1429)

Github Profile - <https://github.com/ANONYMO-US>

SKILLS

Data Structure And Algorithms

Machine Learning

Languages: c++, python

INTERNSHIPS AND KEY PROJECTS

Successfully completed Summer Internship with Internshala on Machine Learning (05/2020 - 06/2020)

Comparative-Analysis-of-Deep-Learning-Models-for-Covid-19-Sentiment-Dataset (01/2020 - 06/2020)

- Analysis of the people sentiment of covid-19 are analysed through the tweets of twitter and further build a reference hybrid models(trained on self made dataset of tweets) for future references.

Video classifier Model (07/2019 - 11/2019)

- System developed on python that tags a given video with its respective subject.

CERTIFICATES

Certification of Problem Solving (Basic)- by Hackerrank (06/2020)

Certification of Problem Solving (Intermediate)- by Hackerrank (08/2020)

Successfully completed student courses of Soft Skills offered by IIT BombayX (09/2017 - 11/2017)

Successfully completed student courses of Workplace Communication offered by IIT BombayX (09/2017 - 11/2017)
