## TECHNICAL PROFICIENCIES

Programming Languages:

- C++ (Experienced)
- Core Java (Beginner)

Database Management: MySQL

## SOFT SKILLS

Willingness to learn • Integrity • Effective Communication • Open-mindedness • Teamwork • Creativity • Adaptability • Empathy • Critical Thinking

## CERTIFICATIONS

- Core Java Training (May, 2020 - June, 2020)  
Certificate of Training issued by Internshala for successfully completing a 6 weeks online training on Core Java.
- Data Structures and Algorithms (June, 2019 – Aug, 2019)  
Certificate of Completion issued by Coding Blocks for successfully completing a 2 months course on DS and Algo.

## PERSONAL PROJECTS

Connect 4 Desktop Game (June, 2020 – June, 2020)

- Created a desktop game application using JavaFX as part of the final assessment under training of Java.
- The game is similar to the Connect 4 board game and requires a player to align four tiles either horizontally, vertically or diagonally to win the game.

My Gullak (Jul, 2020 – Jul, 2020)

- Developed a very basic android app that helps users keep track of amount of money saved by adding goals.
- Implemented Android Architecture Component Libraries like room, Live Data, View Model and followed a MVVM architecture.
- Used SQLite (for all CRUD operations)
